TO WHOM IT MAY CONCERN:

RE: CAFFCOMM SYSTEMS

CaffComm Systems has provided us with both IT support and equipment for the past 3 years. Their service has been very efficient and their response to problems has always been extremely prompt. Equipment and software have always been reliable and competitively priced. We have not had any problems and have been greatly pleased with the service provided.

For these reasons, we do not hesitate to highly recommend CaffComm Systems for all of your IT services.

Yours truly,
